ISACA Germany: Submission CPEs for 2023 | CISA update | New podcast | IT GRC Congress: Call for papers, registration | Events, seminars

Dear All,

A warm welcome to 2024! We hope you enjoyed the holidays to the fullest surrounded by friends and family and are now ready for all the exciting opportunities the new year has in store for you.

In today's newsletter, we would like to inform our many new members about the benefits of ISACA membership as well as remind them of our long-time members.

You can find **contact details** and lots of interesting information about our association online at www.isaca.de and in our regular newsletters. You are welcome to follow us on social media: we will always keep you up to date via LinkedIn, X, Facebook and YouTube.

We offer a wide range of training and events, which our members can take advantage of free of charge or at discounted prices.

Furthermore, in addition to the international **ISACA Journal**, our members regularly receive the journal IT-Governance free of charge and have unlimited access to the online archive.

Further benefits of membership in the German Chapter can be found here. For possible further benefits, I recommend that you also take a look at the websites of our cooperation partners.

In addition to personal membership, your company can become an institutional partner with us and benefit from the advantages of a sponsoring partnership.

You@ISACA: Every chapter thrives on the active involvement of its members. If you would like to participate in the volunteer work at ISACA Germany Chapter, we have collected some opportunities for you here:

- **Expert group work**: If you are interested in working in our expert groups, please contact the respective expert group leader. You can find the contact details and the specific topics dealt with by the expert groups on our website.
- **Events with specialist presentations**: Are you an expert in your field and would like to support us with a presentation at one of our free events for members (such as Innovation & Tech Talk Online Events, One In Tech Roundtables (EN), Focus Events, BarCamps) and/or host such an event? Then please get in touch with our office.
- **Networking events**: Would you like to get to know other association members and hold interesting specialist discussions in an informal atmosphere? Then we would be delighted to support you in organizing a regional ISACA regulars' table or a meet-up.

CPE SUBMISSION FOR 2023, MEMBERSHIP RENEWAL

If you have an active ISACA membership and/or international ISACA certification, you still have **until February 28, 2024** to pay the membership fee and/or the fee to maintain your certification(s) and report your CPEs earned in 2023 toward your certification(s).

Please note that CPE hours can only be attributed to 2023 if they were earned in 2023.

JOB PRACTICE UPDATE CISA

The Certified Information Systems Auditor® (CISA®) certification is undergoing a job practice update in 2024.

The **updated exam preparation materials** will be **available in May 2024**.

If you wish to take the **exam with the current content**, you will only be able to do so **until the end of July 2024**. The CISA exam will be conducted with the new exam content from August 1, 2024.

We have also taken these changes into account in our course planning. Our CISA exam preparation courses in the first half of the year will still take place with the current materials (basis: CISA Review Manual 27th Edition), all later courses (beginning with course no. CISA_2023_4VK) with the new ones (basis: CISA Review Manual 28th Edition).

PODCAST

The next episode of our PODCAST-Serie is now available:

Episode 13 is a special episode in cooperation with the ISACA Switzerland Chapter to present the **ISACA | IIAS Conference on January 29, 2024 in Zurich**. In conversation with Andrea Tribelhorn, President of the ISACA Switzerland Chapter and Thomas Streckeisen, Board Member for Conferences at the ISACA Switzerland Chapter. Click here for the podcast on YouTube.

We invite everyone to listen in. If you have any suggestions for podcast topics, please send them to fg-innovation@isaca.de. Subscribe to our YouTube-Channel, so you never miss a podcast again! You can also find the recordings of our Innovation & Tech Talk Playlist on YouTube.
