Annual general Meeting 2024

In order to enable all our members to participate in this year's Annual General Meeting, it will take place this year **on 3 June 2024 from 5 p.m. hybrid**. In order to offer all participants the opportunity to vote, this year we will conduct the elections online using an audit-proof tool. **For technical reasons, only members who have registered in advance for either in-person or online participation will be able to take part in the elections this year**, as we have to upload a list of voters to the tool, which cannot be changed afterwards.

Further information such as the agenda and the possibility to register can be found on our website under [Mitgliederversammlung](#).
