ISACA Germany: Call for Pitches for the IT GRC Congress 2025 Programme Committee, English-language event

Dear ISACA members,

After the congress is before the congress! This year's IT GRC Congress took place in Hamburg at the beginning of June - and we are already actively preparing for the 10th edition **on 26/27 May 2025 in Cologne**.

In order to create a high-quality and varied programme again next year, we are continuing the concept of the **IT GRC programme committee** introduced last year.

If you are interested in supporting us (again) and are an ISACA member, please send an email including a short pitch describing why exactly you are the perfect candidate to Julia Hermann **by 31 July 2024**.

What are the **tasks** of the programme committee?

1. monthly virtual JourFix
2. definition of the programme structure
3. review of the evaluation criteria and adaptation of the Call for Paper form
4. selection of keynotes and organisation of further programme elements (e.g. panel discussion)
5. individual evaluation of the submissions
6. virtual appointments to discuss the evaluations (as required)
7. virtual meetings with the selected speakers (review of slides regarding content and layout)
8. presentation coaching of the ISACA Germany scholarship holder
9. creation of social media posts during the congress
10. writing a conference report (IT governance, website etc.)
11. moderation of the tracks at the IT GRC Congress
12. stand-by team for short-term tasks during the IT GRC Congress

As a member of the programme committee, you will receive a free ticket to attend the IT GRC Congress 2025 as well as reimbursement of travel expenses including accommodation in the congress hotel - we will meet for dinner together on the evening before the congress. Of course, you can also claim CPEs for your work.

Screening of applications by the organising committee and feedback will take place by the end of August 2024, so that the programme committee can begin its work from 1 September 2024.

We look forward to your applications!

The organising team
Julia | Dirk | Matthias | Thomas

PARTNER EVENT
