

## Scholarship, job advertisement, events, seminars

Dear all,

We are very pleased about the continuous growth of our association and the increasing number of events. This positive development means that our organization is growing - and this is possible thanks to you! In order to meet the increased requirements, **we are now looking for** active support for our office in the form of an **Office Assistant** (m/f/d). We offer varied tasks in a dynamic environment and look forward to receiving applications from motivated people who would like to become part of our team.

If you are interested or know someone who could be a perfect fit for us, we would be delighted to receive a brief application or recommendation. You can find all further information in our [job advertisement](#) on Stepstone.

### ISACA Germany Chapter Scholarship 2024

The ISACA Germany Chapter and the ISACA Foundation invite all students in Germany pursuing a degree in cybersecurity, computer science, IT compliance, IT governance, cybersecurity law or a STEM degree to apply for a scholarship in the amount of **USD 7,500**. In addition, the scholarship recipient will receive a career building bundle that includes a complimentary one-year ISACA student membership, course participation, mentoring and more. Learn more about the scholarship and criteria at: [ISACA Germany Chapter Scholarship](#)

**Applications due:** 11:59 pm US CT, 22 October 2024

If you have any questions about the scholarship or the application process, please email [foundation@isaca.org](mailto:foundation@isaca.org) or [Julia Hermann](#). We look forward to your application!

The graphic features the ISACA Germany Chapter and ISACA Foundation logos at the top. The main title is "ISACA Germany Chapter Scholarship". Below it, two bullet points list the benefits: a US\$7,500 academic scholarship for tuition and an ISACA Career Building Bundle including free student and chapter membership, certification courses, virtual conferences, mentorship, and more. A photo of a smiling woman with glasses is on the right. At the bottom, a dark blue button says "Apply by 22 October 2024".

## EVENTS

### Innovation & Tech Talk Online Event

The [Innovation & Tech Talk expert group](#) invites all ISACA members to a Tech Talk on **September 27, 2024** from 11-12 a.m. on the following topic: **Outsourcing / Third Party Risk Management - always necessary, now in focus.**

In this Tech Talk, Peggy Jacobs and Florian Lorenz (both Principal at metafinanz, a management consultancy of the Allianz Group) will discuss how to establish efficient risk management for third-party providers in order to keep an eye on risks from service providers, limit potential cyber incidents and secure business operations.

You will receive **1 CPE** for attending. Further information and the link for registration can be found [here](#).

### Hybrid focus event "Meet & Explore" with Deutsche Telekom AG

We invite all members and interested parties to a joint focus event with Deutsche Telekom AG on the topic of **"Artificial Intelligence (AI)"**. The event will take place **on November 25, 2024** at the Deutsche Telekom AG headquarters in **Bonn** (Friedrich-Ebert-Allee 140, 53113 Bonn EG, Room A.0.05). **Online participation** is also possible.

After two presentations on the topic of AI, there will be an opportunity to round off the evening in a nearby restaurant. For more information, such as the program and the possibility to register, please visit our [event website](#). You will receive **2 CPEs** for your participation.

## PARTNER EVENTS

### IT-Security Stammtisch by ISC2 Germany Chapter - Region West

Our partner association, the ISC2 Germany Chapter e. V., invites all interested parties to its IT Security Stammtisch **on October 8, 2024** from 7 pm **in Düsseldorf**. There will be a relaxed and open round in which you can exchange ideas with each other.

Further information on the event and the opportunity to register can be found at [IT-Security Stammtisch by ISC2 Germany Chapter - Region West | LinkedIn](#).

---

## CAST events in September & October

Next events of our cooperation partner **CAST e. V.**:

- [23rd International Conference of the Biometrics Special Interest Group \(BIOSIG 2024\)](#) on September 26-27, 2024
- [hot topic "EU DORA"](#) on Oktober 24, 2024

**ISACA members** receive a **50% discount** on participation fees.

---

## AI Hacking Challenge

The [PMI Germany Chapter](#) invites all members and interested individuals to an exciting event on **October 10, 2024 in Munich** (Ernst & Young, Arnulfstr. 59, 80636 Munich), where innovative technologies such as the "One Room" meeting system will be used to connect virtual participants and create an interactive experience.

The AI Hacking Challenge is a great opportunity to develop creative solutions and exchange new ideas. The three best participants will each receive a free online ticket for the [PM Summit 2024](#), which can be exchanged for an onsite ticket at an additional cost. Following the hacking challenge, the limits and benefits of AI will be discussed.

Further information and registration options can be found on the [event website](#).

---

## Female! Digital! Resilient! Your networking evening on cyber security - hybrid event

Security is a decisive success criterion for progress in the digital world. It is becoming increasingly important to protect data, devices and applications in both the business environment and in private life.

The interactive lecture event organized by the international women's network Business and Professional Women, the City of Frankfurt and the VHS Frankfurt with renowned experts and role models from the industry will address the current challenges of cyber security and encourage women to help shape the digital transformation.

The event will take place as part of the Federal Government's Digital Summit **on October 22, 2024 in Frankfurt am Main** (Stadthaus am Markt, Markt 1 60311 Frankfurt am Main). Our board member, **Julia Hermann**, will be speaking on the topic: **"It's a man's world" ... is it? - Insights into a career in cybersecurity management.**

Further information and the possibility to register can be found on the [event website](#).

---

## RISC Congress 2024

Frankfurt School Verlag invites all interested parties to its 8th annual conference. The congress will take place **on December 3, 2024 in Frankfurt am Main** (Frankfurt School of Finance & Management, Adickesallee 32-34, 60322 Frankfurt am Main).

Successful compliance management is more than the sum of its parts and must be considered comprehensively - from HR strategy and governance functions to the actions of all stakeholders in an organization. The RISC Congress 2024 is therefore dedicated to this important topic. At the end of the conference day, there will be the opportunity to deepen the discussions at a get-together and to exchange ideas with the speakers and colleagues about the new requirements, strategies and solutions.

You will receive **8 CPEs** for your participation.

Further information and registration details can be found on the [event website](#). **ISACA members** can register for the event at discounted prices. You can find the code in the members area on our website.

---

## Crisis Prevention 2024 - 1st annual conference of the Frankfurt School Verlag

Directly one day after the RISC Congress, a new conference of the Frankfurt School Verlag on crisis prevention will take place on December 4, 2024 in Frankfurt am Main (Frankfurt School of Finance & Management, Adickesallee 32-34, 60322 Frankfurt am Main), to which you are also cordially invited. You will receive **8 CPEs** for your participation.

Further information about the event and the possibility to register can be found on the [event website](#). **ISACA members** can register for the event at discounted prices. You can find the code in the members area on our website.
