

ISACA Germany: General Assembly | IT GRC Congress 2025 | New ISACA certification for AI audits | Events, seminars

Dear All,

Our annual **general assembly** will take place in a few days. We look forward to welcoming you on **26 May 2025 from 5 p.m.** either in person in **Cologne** or online.

If you can't make it in person, take the opportunity to join us digitally. Take the opportunity to make your voice heard and actively help shape the future of our association. We look forward to your participation - whether on site or digitally!

You can find the agenda, the possibility to register and further information about the meeting on our website: [General Assembly - ISACA Germany Chapter e. V.](#)

For last-minute attendees: We still have a few tickets available for our 10th anniversary congress. The **IT GRC Congress** will take place on **26 and 27 May 2025** at the Gürzenich in **Cologne**.

All information on the programme, registration and confirmation of participation (**12 CPEs**) can be found on the official [congress website](#).

KONGRESS

NEW ISACA CERTIFICATION: ADVANCED IN AI AUDIT™

Do you have a valid CISA, CIA or CPA certification? Then take the opportunity to further your training in the field of AI audits with the new ISACA certification '**AI Auditing and Assurance™ (AAIA™)**'. The certification provides expertise in the assessment, monitoring and testing of AI systems and is aimed at specialists from audit, risk and governance areas.

The content is divided into three domains:

- Domain 1: AI Governance and Risk (33%)
- Domain 2: AI Operations (46%)
- Domain 3: AI Auditing Tools and Techniques (21%)

Until **31 July 2025**, ISACA members will receive a **20% discount** on the **AAIA Questions, Answers & Explanation (QAE) exam preparation database**.

The first **500 purchasers** of the **AAIA Online Review Course** will receive a **20% discount**. You can find the discount codes in the **members' area of our website**.

All further information on the new ISACA certification can be found on the [AAIA™ website](#) of our umbrella organisation.

EVENTS

BarCamp of the IT-Revision specialist group

On **26 June 2025**, our [IT-Revision specialist group](#) is organising a **BarCamp in Frankfurt am Main** at ADVISORI FTC GmbH (Kaiserstr. 44, 60329 Frankfurt am Main), to which all ISACA members and other interested persons are cordially invited.

A BarCamp (also known as an unconference) is a conference with open workshops. The content of the workshops and their schedule are developed by the participants themselves at the beginning of the conference and are organised as the conference progresses.

Possible topics of the BarCamp:

1. use of AI tools in auditing
2. digital twins - potentials from the perspective of auditing
3. low and no code from an audit perspective
4. open topic

You will receive proof of **4 CPEs** for the event. Further information and the possibility to register can be found on our [website](#).

PARTNER EVENTS

She@ISACA Webcast - Cooperation event between ISACA DE, AT and CH

The ISACA Chapters Germany, Austria and Switzerland invite all interested parties to a She@ISACA webcast on **18 June 2025 from 9 to 10 a.m.**

Critical infrastructures are increasingly in the focus of regulatory requirements - especially with regard to the new **Cyber Resilience Act (CRA)** and established standards in **Business Continuity Management (BCM)**.

Three experts from the ISACA chapters DE, AT and CH will highlight the most important aspects and challenges from their respective perspectives in short keynote speeches (10-15 minutes each). They will then discuss their experiences in a short panel and answer questions from the audience.

A compact, first-hand insight into regulatory developments and practical approaches.

Further information on registration and the programme will be available shortly on our [website](#).

CAST events

Next events of our cooperation partner CAST e. V.:

- [MedCAST 25 - Secure, digital transformation of the healthcare industry](#) on 22 May 2025
